HMS Mission Statement

Mission Statement

The mission of *Harvest Ministry Seminary (HMS)*, as an extension of Family Harvest Church—Lubbock, is to prepare men and women of God for ministry—that the Lord of the Harvest might thrust them into His Harvest (Mat 9:38). By developing vision, the Spirit of Faith, and depositing in them knowledge of God through sound doctrine, they will become faithful laborers to whom God may entrust His ministry. At HMS, students are prepared for exegetical and expository teaching of the Word of God, and for leadership and service to advance the Kingdom worldwide.

Values Statement

HMS will (1) provide a strong foundation in biblical exegeses, (2) focus on theological and exegetical teaching to ensure that students become capable theologians, exegetes, and expositors (3) encourage an ever-growing appreciation of scriptural truth and thus a deeper relationship with God through the Lord Jesus Christ, and (4) maintain a commitment to the teaching of the original Biblical languages, in order to ensure that students gain the ability for rightly dividing the word of truth.
